HIGH STANDARD PASSENGER EXPERIENCE

Passenger experience at Zadar Airport is on a very high level with cosy, suitable, modern terminal, no congestion and many amenities throughout the airport. Thus our passengers spend less time waiting in queues and more time relaxing and enjoying their travel.

Moreover, Zadar Airport offers to all its customers the service of free wireless Internet access (**Free WiFi HotSpot**). The system enables passengers to have free internet access to from any part of the airport!

Another service aimed at providing high quality service at Zadar Airport is "**Flying book**" project - a reading promotion project by Zadar Airport and Zadar Public Library through which passengers read and take books for free or leave the book they finished reading. Search for our bookcrossing site - "Flying book" shelf at Zadar Airport's international departure area.

Zadar Airport **restaurant** is at your disposal if you want a good and tasteful meal. Also, if you want to take refreshments before the flight, daily newspaper for the trip or a cup of good coffee, **snack bar** Sunset is the right place for you. The passengers on international flights may also use the snack bar located in the international departure area in the near vicinity of the Duty Free Shop. In our **Duty Free & Travel Value Shop** you can find products of famous fashion brands or Croatian and regional products and delicacies.
